CRIMINAL JUSTICE

About the Concentration

Calhoun Community College offers an Associate Degree with a concentration in Criminal Justice to prepare students to transfer to a senior institution or to pursue employment in a security or criminal justice environment. The classes are offered both day and evening at the Decatur and Huntsville campuses.

How Do I Apply?

Everyone must submit an application for admission to either the Admissions Office on the Decatur campus or to the Huntsville campus. At that time, you'll receive further information on admissions requirements.

How Much Will it Cost?

Tuition at Calhoun — the fees paid to take classes— is among the lowest in the area. Refer to Calhoun's website at www.calhoun.edu for current tuition and fees schedule. Since the college does not have dormitories, the only other costs will be for transportation to and from class and books and supplies. And, if you need help with college costs, the Office of Student Financial Services has information on grants, work study, scholarships, and loans.

Career Opportunities in the Field

Graduates with a concentration in Criminal Justice can pursue a wide range of Correction, Law Enforcement and Security opportunities. Compensation will depend on the type and size of the agency of employment, and in many cases, the education attained at the time of employment.
